**Carden Medical Centre, Camphill Medical Practice
& Torry Medical Practice**

Dear Patient,

The Aberdeen City Health and Social Care Partnership (HSCP) manage a number of GP Practices in Aberdeen City, including the Carden Medical Centre, Camphill Medical Practice and Torry Medical Practice. Last year we proposed that a number of GP Practices including Carden, Camphill and Torry, should be run by the GP's themselves. The vast majority of GP Practices in Grampian are run in this way. This local management brings benefits to both GP's and patients.

I am pleased to let you know that arrangements have now been made for Carden Medical Centre, Camphill Medical Practice and Torry Medical Practice to be run in future by a Social Enterprise Group known as River Dee Medical Group. This will be run by GP representatives from each of the three practices and staffed by the existing teams.

You do not need to take any action in response to this letter, you will remain on the Practice List of Torry Medical Practice and you should notice no immediate changes.

If you have any queries about the new arrangements, please email to: gram.primarycaresupportachscp@nhs.scot, or call 01224 655625 to leave a message and a member of staff will call you back.

Yours faithfully

Sandra MacLeod

Sandra MacLeod
Chief Officer
Aberdeen Health and Social Care Partnership
