Whinhill Medical Practice

Dear Patient,

The Aberdeen Health and Social Care Partnership (HSCP) manage a number of GP Practices in Aberdeen City, including the Whinhill GP Practice. Last year we proposed that a number of GP Practices including Whinhill, should be run by the GP's themselves. The vast majority of GP Practices in Grampian are run in this way. This local management brings benefits to both GP's and patients.

I am pleased to let you know that arrangements have now been made for the Whinhill GP Practice to be run in future by the OneMedical Group, who have many years of experience in running GP services. We have not yet agreed a date for the changeover, but we are working hard to make this transition smooth and seamless.

You do not need to take any action in response to this letter, you will remain on the Whinhill GP Practice List and you should notice no immediate changes.

If you have any queries about the new arrangements, please email to: gram.primarycaresupportachscp@nhs.scot or telephone 01224 655625 to leave a message and a member of staff will contact you.

Yours faithfully

Sandra MacLeod
