

Aberdeen City GP Practice Registration Availability

If you live in Aberdeen City and do not currently have a GP Practice, then this information will help you to identify where you can register with a GP Practice in the City.

We appreciate this can be confusing and frustrating for patients who are not registered with a GP Practice and who are trying to see where they can register.

Why am I finding it difficult to register with a GP Practice in Aberdeen City?

Practices in the City are experiencing an extremely high demand for their services and are struggling to cope due to a number of factors including an increase in the population, a decrease in the number of clinical staff due to recruitment issues across Grampian and an increase in patients requiring more complex care.

I am new to Aberdeen City and am not registered with a GP Practice, what should I do?

If you require to register with a GP Practice in Aberdeen City, to help assist you, we have created a list below of which GP Practices have open lists and are accepting new patient registrations and those who have closed lists or may not be accepting new patient registrations right now.

I am already registered with a GP Practice in Aberdeen City and have not moved address. Can I change Practice?

Yes, from 1st July 2024, patients can request to re-register at another Practice. Please check which Practices cover the postcode of your home address using the list below. Practices may need to limit registrations to help them cope with demand, so you will need to check with the individual Practice.

I have recently moved address and am now out with my GP Practice's boundary. Can I register elsewhere?

Yes, you will need to register at a new Practice. Please look at the table below and check which Practices cover your new postcode, if they are accepting new patient registrations and then contact them directly to register.

I have moved address but my new address is still within my current Practice's boundary. Can I change Practice?

Yes, from 1st July 2024, patients can request to re-register at another Practice. Please check which Practices cover the postcode of your home address using the list below. Practices may need to limit registrations to help them cope with demand, so you will need to check with the individual Practice. You can still choose to remain registered at your original Practice.

I am still struggling to get registered, what else can I do?

You can also contact Practitioner Services by emailing them at nss.psdenuquiries-general@nhs.scot or phoning them on 01224 358447 and leave a message. Practitioner Services can provide advice and support for patient registrations and medical records.

The information in the table below is updated regularly and subject to change. Contact **links** to each **Practice website** can be found by **clicking on the Practice names below**. For postcodes with (partial), please check with the Practice directly if they cover your individual address.
